How to play

1. **You need** a board for each player and a page of Frank covers for each board, all cut out. Coins or buttons make good covers too. Cut out the cards as well, for when there is nothing to see.
2. **Play.** Look out of the window. When someone spots a thing on the boards, they say its word. Everyone finds it on their board, reads it back, and covers it. Four in a row wins: across, down or corner to corner.
3. **Nothing to spot?** Turn over a card and read it aloud. That is the next thing to look for.
